WAKARUSA COMMUNITY SCHOOL
OFFICE OF THE PRINCIPAL
Wakarusa, Indiana

May 24, 1963

To Graduates of 1963

Congratulations on successfully completing your twelve year voyage. One of your dreams has been fulfilled, and some of you are already dreaming of future accomplishments. Whatever your hopes and desires, may the Good Lord smile on you and yours. May all your dreams be pleasant ones, and may all your dreams come true. This is my wish for you.

Nelson C. Eaton Principal

Ralph Ferguson, Assistant Prinipal

Betty Cripe, School Secretary

To the Class of 1963:

Until now you have been a student in school, living at home. Most of your decisions have been made for you or by you in cooperation with dad, mother, high school teachers, principal or minister. You have had relatively few worries. If you were not where you were supposed to be, when you were supposed to be, then someone became interested immediately.

In th future you will be on your own, profiting by your good decisions and suffering from your poor decisions. My hope is that you will give as much to your community and society in the future as you have given to your school in the past. With this note goes my best wishes for continued success in your future endeavors.

Sincerely.

Ralph A. Ferguson

We, the senior class of 1963, would like to take this opportunity to thank Mr. Rogers for all he has done to make our dream, of high school, come true. Not only has he been our sponsor, but also the advisor for our annual staff. We are sure, if Mr. Rogers had not been around to help us over the rough places, we would have been ready to call it quits. We want to thank you for the guidance you have given us and also the many hours you have spent helping us with the annual.

Our Senior Trip

On Sunday, October 14, we departed from Warsaw with our destination being New York City. We arrived in New York on Monday morning and checked into the Hotel New Yorker. Our first tour was a Gray Line bus tour of Lower New York, Greenwich Village, Chinatown, The Bowery, and Wall Street, plus a cruise to the Statue of Liberty. Later in the evening, we went to the Radio City Music Hall. After the show we walked down Broadway and wound up on top of the Empire State Building.

On Tuesday we had another bus tour. We saw Upper New York, 5th Avenue, the Frick Mansion, Central Park, Grant's Tomb, Hell's Kitchen, plus a complete guided tour of the United Nations Building. After dinner we left for Washington D. C. and

after we arrived we checked into the Marriott Hotel.

On Wednesday we toured the Capitol Building, Supreme Court, Congressional Library, and the White House. After lunch we toured Mount Vernon, the Arlington Cemetery, Iwo Jima Memorial, and Alexandria, Virginia. In the evening we toured the National Airport, the Illuminated Memorials and the National Wax Museum.

On Thursday morning we toured the Smithsonian Institute and the F. B. I. Building. In the afternoon we toured the Bureau of Engraving and Printing, the Washington Monument, and the Archives Building. In the evening we left for Warsaw and arrived early Friday morning.

Bruce Stahly, Gary Pippenger, Tim Truex, and Wayne Royer are having a panel discussion in senior speech class.

English

Mr. Oplinger and his sophomore English class are discussing singular and plural nouns.

The eighth grade English class is listening to Mrs. Borgman as she explains the fundamentals of English.

Learning the vocabulary of each chapter is one main thing they have to do in Spanish.

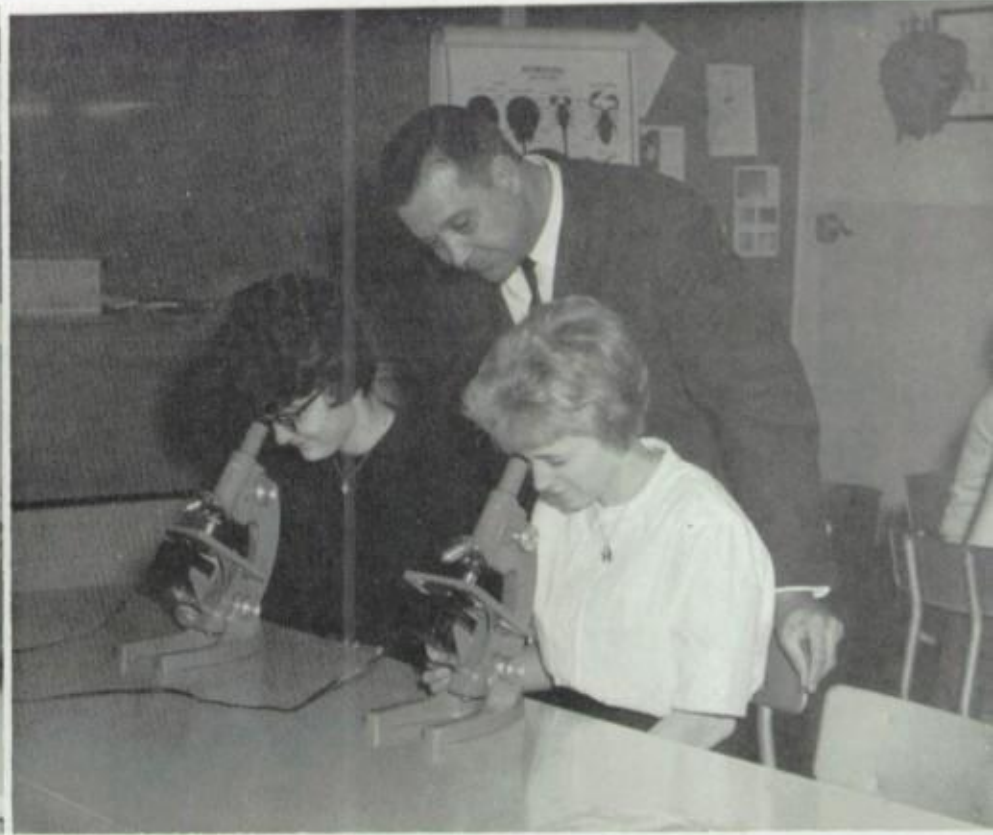

Spanish

At Christmas time all the students bring their pinatas to school that they have made. To get the candy inside they break the pinatas with a ball bat at the party.

Filling out their biology workbooks is a big job for these girls.

Lana Holmes and Margaret Hunsberger with the help of Mr. Eaton are wondering whether it is a paramecium or an amoeba on the slides.

Science

Terry Joe Hartman looks as if he is puzzled over what Mr. Weaver is discussing in Physical Science Class.

Four days out of a week the chemistry class, composed of juniors and seniors, studies descriptive and theoretical chemistry.

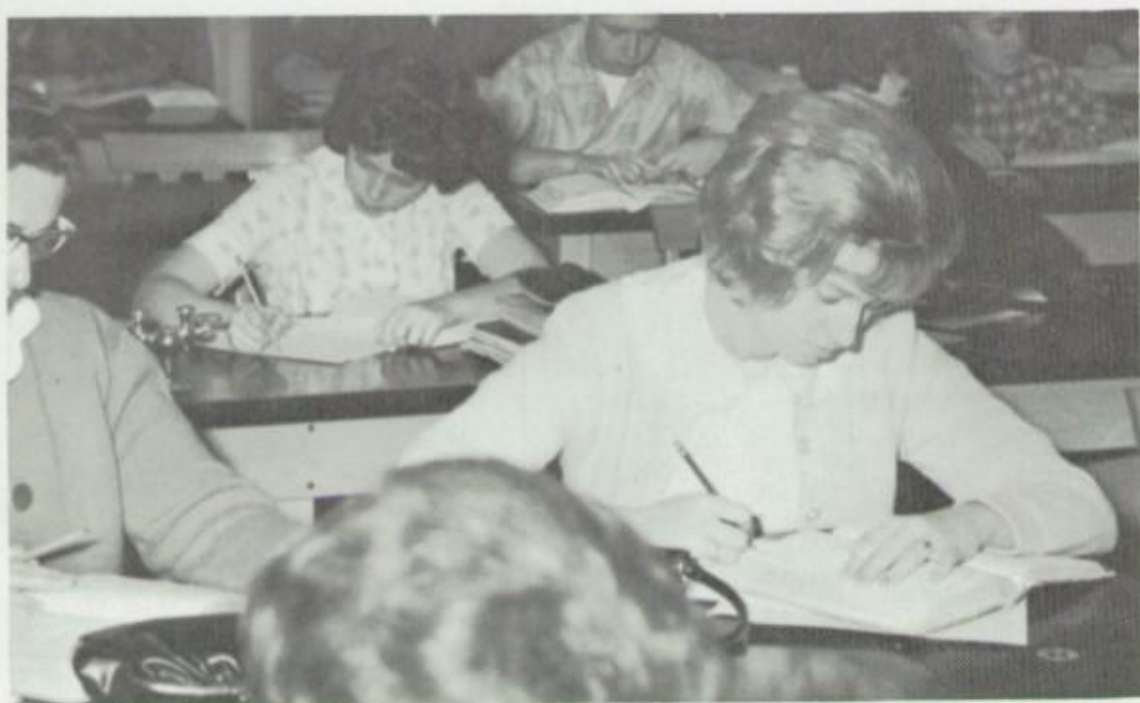

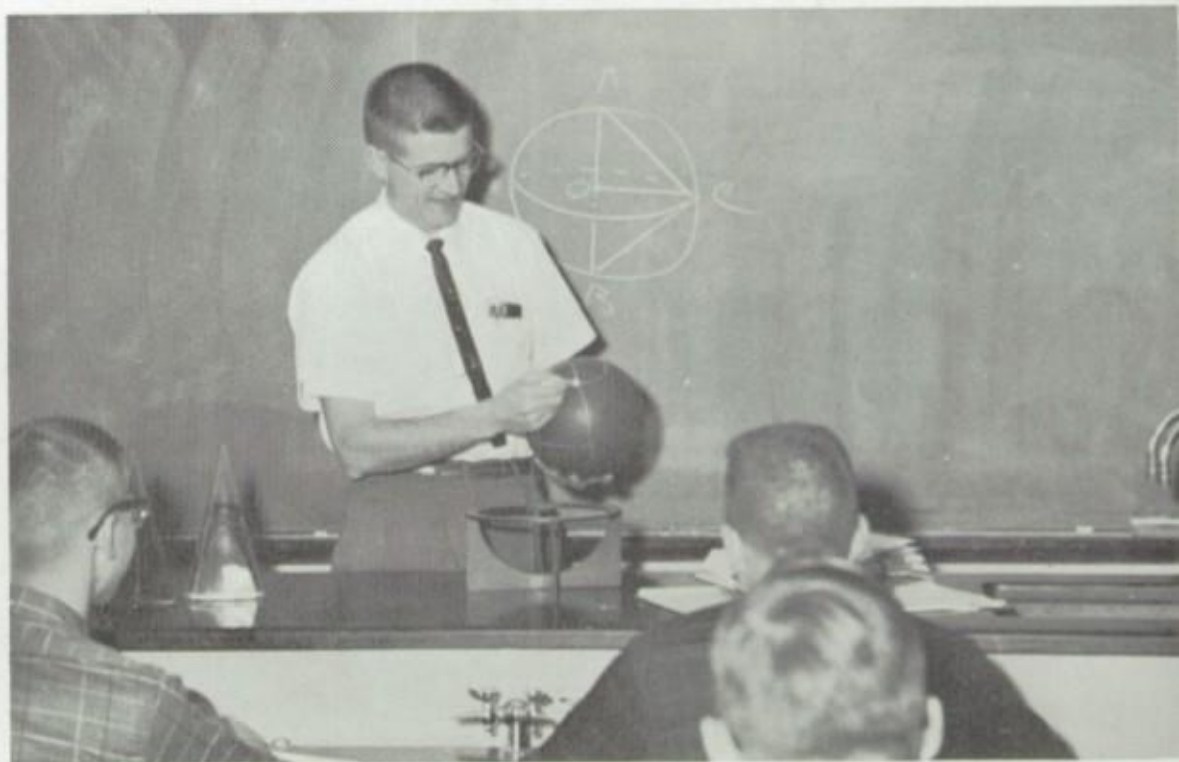

Every Monday is lab day in chemistry class. Cynthia Horein and Karen Skiles are wondering if their experiment is right.

C h e m i s t r y

Steve Hunsberger and Tim Truex are filling in the results of their chemistry experiment.

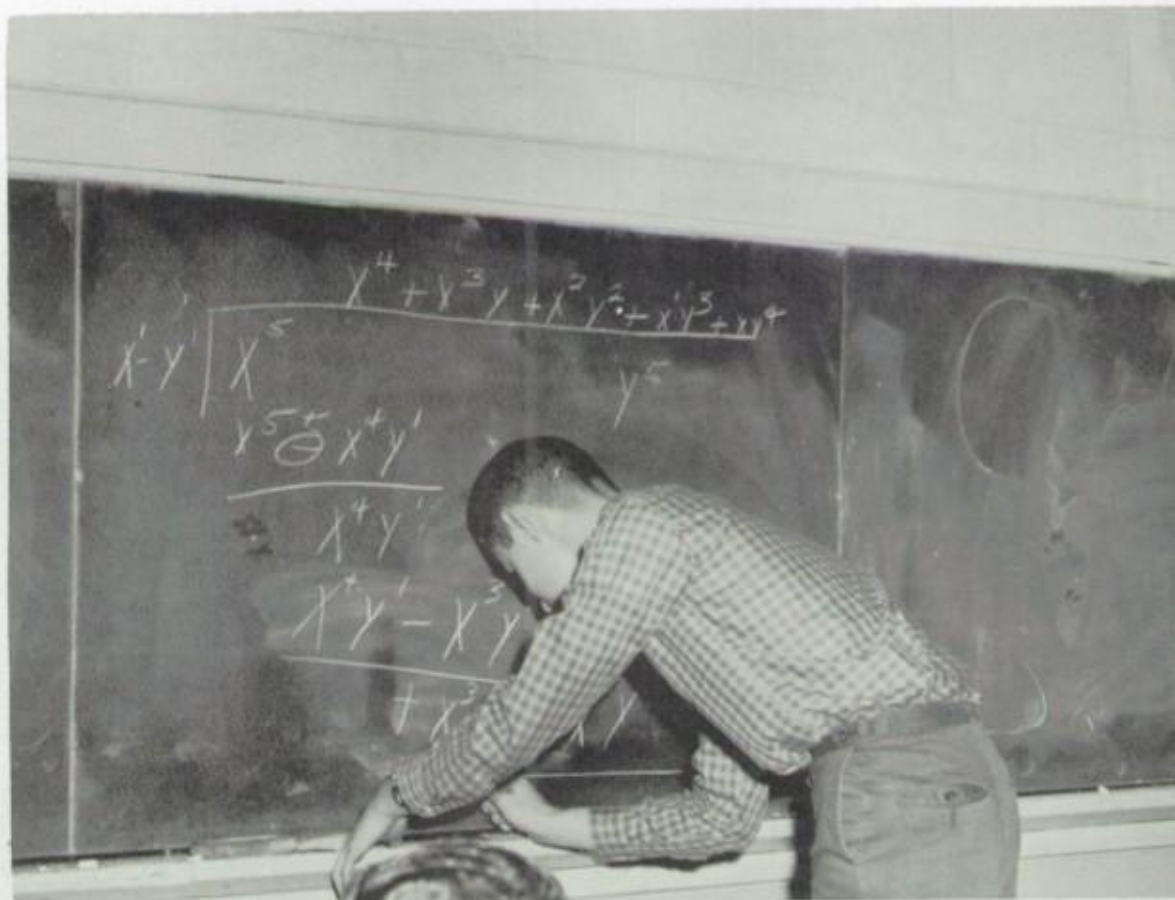

Mr. Miller is describing small circles and quadrants, of a sphere, in Solid Geometry class.

Mathematics

There is no time for dreaming in Plane Geometry class.

Some of the problems in Algebra I are long and difficult. Tom Roeder has one almost completed.

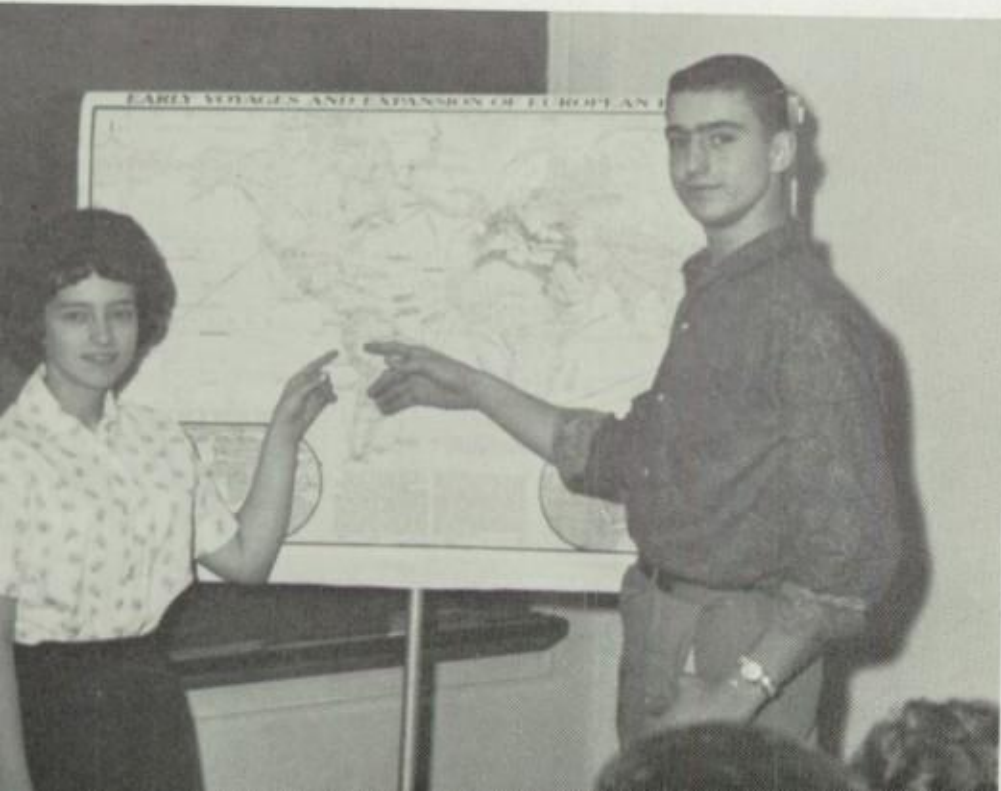

The senior psychology is listening to one of Mr. Davis's daily lectures.

Social Studies

Mr. Davis is giving one of his daily quizzes to the juniors in U. S. History.

Jean Masterton and George Mc Kinley are pointing out the Aztec Indians in the sophomore world history class.

Bookkeeping students not only learn bookkeeping but they also learn how to work the adding machines.

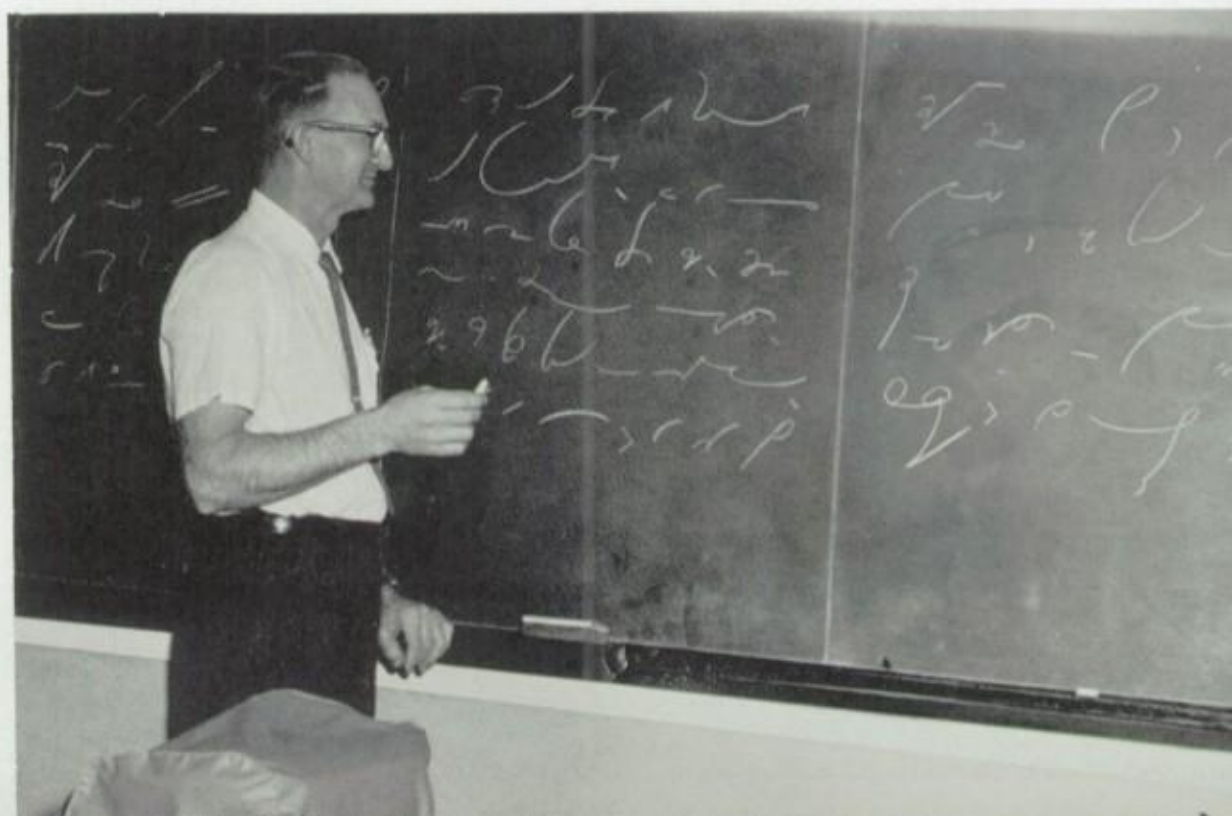

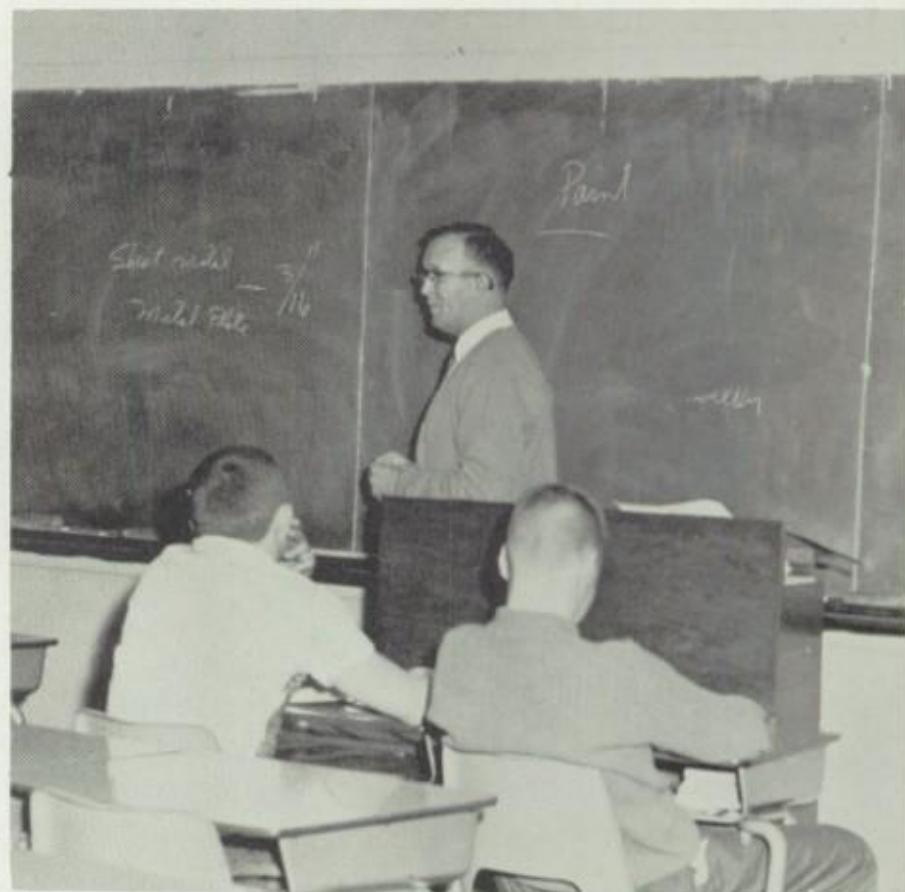

Business Training

Typing I is a class of seniors, juniors, and sophomores who learn how to operate the keyboard and controls.

In shorthand class, students learn to take dictation and read back symbols that they have written.

This is part of the Agriculture class under the supervision of Mr. Williams.

Don Detwiler, Phil Hartman, Dennis Lechlitter, and Ed Evers are working on a motor in Farm Shop.

Agriculture

In farm shop the boys learn how to repair farm machinery. Tom Cripe is welding a runner for a drag.

Mrs. Cook is showing dinnerware that should be used to make a meal more pleasant.

The freshman girls are cutting out their Christmas cookies.

H o m e E c o n o m i c s

Cooking is a part of home economics that will help the girls in their future. Ruth Ann Aust,

Betty Stevens, and Sandy Geiser are preparing a meal.

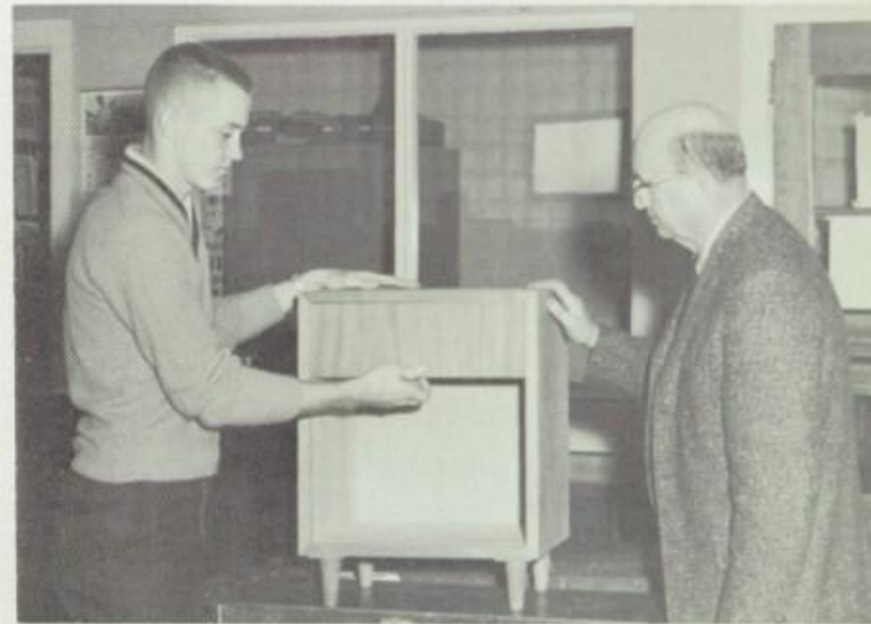

Wayne Royer is completing a drawing in a mechanical drawing class.

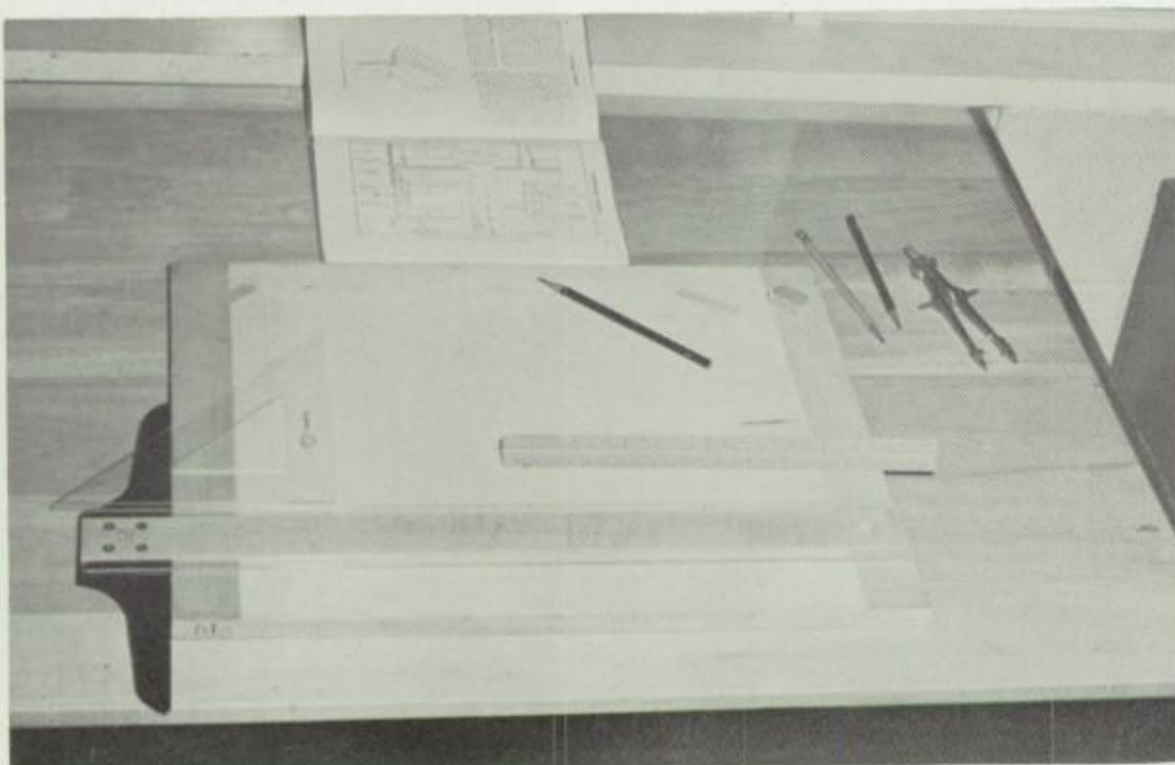

A typical scene in fifth period woodworking class.

Woodworking and Mechanical Drawing

Mr. Rohrer and Newell Clouse are examining a completed record stand.

The T-square, triangle, compass, pencils, and scale are some of the instruments used by the boys in mechanical drawing.

Our future basketball star! Basketball is enjoyed by all.

Physical Education

Playing basketball as a team is one way the freshman and sophomore girls learn better sportsmanship.

Basketball and calisthenics are the major parts of boys physical education.

Each year three auto dealers take their turn supplying the car for the driver training class.

Mr. Hostetler is using a model engine to demonstrate the working parts of a car.

Driver Education

Being able to change a flat tire in weather like this is one thing everyone wants to know.

Wizards 4-H

The Wizards 4-H Club is interested in the agricultural part of the 4-H move. Each member has a project, ranging from livestock and dairy to electri-

city and conservation. These projects are displayed at the county fair each August. They are led by Mr. Williams, the school ag. teacher.

Front row: Darrell Schwartz, sentinel; Dennis Mattern, secretary; Tom Cripe, reporter. Back row: Jim Wisler, vice-president; Newell Clouse, president; Max Cripe, treasurer.

Mr. Williams, Sponsor

Future Farmers of America

The F. F. A., led by Mr. Williams, the school agriculture teacher, is designed to teach boys of high school age the fundamentals of good farming practices. Their livestock and dairy judging teams

have participated in county, district, and state contests, and have done very well in their work. They sponsor the annual pest control contests and slave auctions.

Sponsor, Mr. Weaver

Front row: Loren Sloat, president; Thane Huffman, vice-president; Back row: Terry Yoder, sec'y-treas.; Terry Dean Hartman, student council.

Photo Club

The Photo Club was formed to help develop interest in photography. In their meetings they take, develop, and enlarge pictures. Under the expert guidance of Mr. Weaver they have developed many

skills. The annual staff would like to thank the Photo Club for their help in taking many of the pictures that appear in this yearbook.
